

K-LOVE serves my family and I in our local community. We have 3 choices of stations to choose from depending on where we are in the San Joaquin Valley. This radio station is a great need not only for my family, but for our community as well. There would be many ill-effects should K-LOVE be displaced by an LPFM broadcaster. This station touches and saves lives not only in this life, but in the one yet to come. For all these reasons I believe that keeping K-LOVE on the air is in the public's best interest.
